Disciple of Christ | Education in Virtue® is more than another program or curriculum; it is a transforming way of life that enhances the environment of a home, school, parish, and/or business. The intuitive and colorful resources aid in teaching the language of virtue—the habit of doing good—which fosters and results in an increased culture of goodness. Isn't this what we need today? —Unity and a culture of goodness.

High School Teachers

*Educator's Guide to Living a Virtuous Life* is a great reference for teaching morality from a Thomistic perspective.

*Echoing the Mystery* is a reference tool for catechists, outlining the doctrines, related Scripture, and more.

*Life of Christ Lectio Divina Journal and Companion Course* helps students encounter Christ in His Word.
